Welcome Back!
Welcome back to all our returning students and a warm welcome to all our new students and families. It was great yesterday to see so many happy returning faces, despite the challenging weather for Day 1!

New Classes
Students in Years 1 to 6 were placed into their new classes yesterday, however, this week is a period of adjustment, particularly with our student numbers hovering around requiring a school staffing adjustment and class adjustment.

If numbers stay as they are (today), a composite Kindergarten/Year 1 will need to be formed, and this is now in the planning.

Kindergarten and Best Start
Best Start Assessments continue for our beginning Kindergarten students, and Kindergarten start school en masse on Thursday February 5th.

Staff
Welcome to both Ms Drake and Ms Hurley who began teaching with us yesterday. Ms Drake has a Stage 3 class and Ms Hurley is teaching in Stage 1.

Student Leadership Induction
The Student Leadership Induction (for new School Captains, Vice-Captains and Prefects) is on Monday morning February 9th. Students will receive additional information notes shortly.

Meet the Teacher
Meet your child’s class teacher. An opportunity to meet your class teacher will be on Monday February 16th (for Stage 2 and Stage 3 classes) and/or Tuesday February 17th (for Kindergarten and Stage 1 classes). After school information sessions are being coordinated by class teachers to discuss with parents class expectations and programs.

Further information will be sent home to families shortly.

School Swimming Carnival
The School Swimming Carnival is scheduled for Tuesday February 17th. The Carnival is for students in Years 3-6 swimming in an event (50m or more). Information will again be sent home to families in the near future.

School Visitor Processes
The school’s visitor processes are being modified to strengthen student safety procedures to improve alignment with DEC and Child Protection compliance. These procedures will be implemented through a transition period during this term. A more detailed note about the new school processes will be sent out to all families.
